

Improving LGBT patient provider relationships

Join the Pennsylvania Department of Health for a live one-hour webinar to improve the LGBT patient provider relationship and to share disparities for the LGBT community and best practices for overcoming these barriers.

DATE: **Thursday, April 20, 2017**

TIME: **12:30 PM–1:30 PM**

This webinar focuses on improving the relationship between LGBT patients and their providers by increasing provider's LGBT cultural competency and sharing best practices that can be implemented at the provider's facility. A moderated Q&A session will follow.

We hope you can join us for this important presentation and discussion.

Objectives — At the conclusion of the activity, participants should be able to:

- * Understand LGBT cancer disparities and the importance of reducing these disparities
- * Understand LGBT cultural competency including language, definitions and cultural context
- * Understand barriers to care for the LGBT patient population and best practices for overcoming these barriers

A Q&A Session with the presenters will follow the presentation.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Pittsburgh School of Medicine and the Pennsylvania Chapter of the American Academy of Pediatrics. The University of Pittsburgh School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded 0.1 continuing education units (CEU's) which are equivalent to 1.0 contact hours.

Faculty for this activity have been required to disclose all relationships with any proprietary entity producing health care goods or services, with the exemption of non-profit or government organizations and non-health care related companies.

No relevant financial relationships with commercial entities were disclosed by: Dr. Levine, Liz Bradbury, Adrian Shanker, Regina Washington, and Dr. Noumoff

This program is funded by a grant from the PA Department of Health

We encourage participation by all individuals. Advance notification of any special needs will help us better serve you. Please notify us of your needs at least two weeks in advance of the program.
